

US 212 Beef Corporation has an immediate opening for a Security Guard at our facility in Buffalo Lake, Minnesota. The successful candidate will work closely with Human Resources and will have the opportunity to help develop company-wide internal policies and procedures to assist this company in its success. Security is responsible for keeping facilities and people safe and secure. They oversee security procedures, monitor and respond to incidents, screen visitors and guests, secure entrances, and conduct security checks. This will include securing premises and personnel by patrolling property, responding to alarms and calls of distress, investigations, etc. Security Guard duties can also permit or prohibit entry.

QUALIFICATIONS:

- A High School Diploma
- Proven experience in Security with demonstrated increase in responsibilities
- Strong analytical and problem-solving skills
- Self-starter, able to effectively work across various employee styles

Company benefits:

Hourly FT Non Exempt
100% employer paid medical coverage for employee
PTO accrues at day one
Paid holidays
