

LIVE-IN CARETAKER

FirstService Residential Minnesota is a large, well established and highly reputable firm specializing in community association management of over 500 condominium and townhome associations in downtown Minneapolis, St. Paul and greater metro area.

We are seeking a live-in caretaker team or single for a lovely building located in Bloomington. Duties include cleaning of common areas, light maintenance, and limited management responsibilities. The scheduled hours are primarily week days during business hours as well as rotating week-ends with on call duties. No leasing, cleaning or painting of units is required.

This is a great role for someone seeking a permanent position in a pleasant atmosphere. We are seeking conscientious, responsible and personable candidates who enjoy working independently, have an eye for detail and mechanical aptitude. We offer a competitive wage, a lovely condominium unit (no smoking, no pets) with garage space, health and life insurance, paid vacation, 401K, and paid utilities.

Interested candidates should email their resume with current contact information to
