

BROCKTON PUBLIC SCHOOLS

LICENSED MASTER PLUMBER

The Brockton Public Schools seeks a full time licensed master plumber who will be responsible for the installation, operation, troubleshooting, maintenance, and repair of the plumbing systems within the district. The selected candidate will be a part of the Facilities Department within the district; must be able to respond to emergency calls. The work day will be from 2:30 PM to 10:30 PM

Minimum requirements: Massachusetts Master Plumber's License; driver's license; high school diploma; five (5) years' experience with plumbing systems; knowledge of safety best practices and OSHA regulations. The Brockton Public Schools offers a competitive salary structure and benefits package. Brockton residency required within one year of employment.

Please send letter of intent, master plumber's license, three (3) letters of reference, and resume by December 17, 2018 to:
