

The City of Jacksonville has numerous openings for PART TIME certified police officers, (current or retired) to be assigned to one of our Jacksonville North Pulaski School District Schools as a School Resource Officer (SRO). We will send to the refresher course, if needed. Shifts are either 8am-12pm or 12pm-4pm. Officers will be off of work when

We are seeking those who possess integrity, dedication, honesty, moral character and sound judgment. The SRO is responsible for building relationships with students, teachers, administration and parents.
