

MID-TEC

Mid-Tec, an Industrial Contractor in Anderson, Missouri, is hiring for an ESTIMATOR

Candidates must have excellent computer skills and be fluent in Microsoft Office and Microsoft Project. A degree in Construction Management is preferred but not necessarily required. Any prior experience in estimating is a plus. Candidates must also have strong communication skills and be comfortable working with vendors and subcontractors. The position is 40 hours a week and offers full benefits. Pay is between \$20-22 an hour. Some light travel is involved.
