

# **IMMEDIATE OPENINGS**

## **CHILDREN & YOUTH**

### **CASEWORKER 1 & CASEWORKER 2**

The County of Washington Children & Youth Department is seeking applicants for multiple positions of Caseworker 1 and Caseworker 2. The positions investigate allegations of child abuse and neglect and perform social service and case management supportive services to children, youth and families.

Positions are filled through the Commonwealth of Pennsylvania's State Administered Merit System hiring process and job seekers are required to apply to the County Caseworker 1 and County Caseworker 2 E&T exams on the [www.employment.pa.gov](http://www.employment.pa.gov) website and answer job-related questions for the positions. The responses to these questions will then be scored for applicants who meet the minimum experience and training requirements.

Applicants who pass the exams and receive a score will then be placed on master eligible lists and will be notified via e-mail of the Washington County Children & Youth Caseworker 1 and Caseworker 2 vacancy postings.

Candidates must then apply to the postings and will be referred to Washington County for consideration.

As multiple postings are currently active for both positions, E&T exams and applications must be submitted by Friday, April 19, 2019 at [www.employment.pa.gov](http://www.employment.pa.gov).

Please contact the Washington County Human Resources Department with questions at **724-229-5930**.

Washington County is an Equal Opportunity Employer.
