

# Violence Prevention Green Dot Coordinator Position

*(Independent Contractor Position)*

Flaget Memorial Hospital Foundation is looking for someone passionate about violence prevention!

This position will be responsible for violence prevention grant coordination and program implementation in Nelson County high schools, funded by a three-year grant.

**DUTIES INCLUDE:** developing and maintaining school-based teams, training student body and staff, facilitating school clubs, hosting a community coalition, conducting school and community prevention initiatives, reporting outcomes and monitoring/adhering to a budget.

Flaget's spectrum of prevention will focus on strengthening individual knowledge, promoting community education, fostering networks, analyzing organizational practices and influencing policy.

We are seeking a Master's Level social worker or experienced Bachelor's social sciences or related field. Must be able to work independently, speak in large groups, conduct trainings and have experience working with interagency collaboration.
