

BRIDGE INSPECTION OPPORTUNITIES

SAI Consulting Engineers, Inc. (SAI) is a Pittsburgh-based civil and structural consulting/engineering firm specializing in design, inspection, and construction management of transportation, industrial, institutional, and commercial projects. Due to recent growth, SAI is seeking highly motivated individuals for the following positions:

BRIDGE INSPECTOR

Requires a minimum of 2 years of field experience and PennDOT Bridge Safety Inspection Certification. All candidates should possess excellent written and verbal communication skills and be proficient with Microsoft Office. Knowledge of PennDOT iForms, National Bridge Elements, and BMS2 coding is preferred. Experience on PA Turnpike Commission projects is a plus.

BRIDGE INSPECTION PROJECT ENGINEER

Requires a minimum of 10 years of field experience and PennDOT Bridge Safety Inspection Certification. All candidates should possess excellent written and verbal communication skills and be proficient with Microsoft Office. Professional Engineers license preferred. Knowledge of PennDOT iForms, National Bridge Elements, and BMS2 coding is required. Experience on PA Turnpike Commission projects is a plus.

A competitive salary/benefits package is offered.

Qualified applicants may submit current resume and salary history in confidence to:
