MEDICAL TECHNOLOGIST

The Pat Walker Health Center at the University of Arkansas, Fayetteville campus is looking for a Medical Technologist to join our fabulous team. The Pat Walker Health Center is an ambulatory care clinic and provides a wide range of medical care and services for students, faculty and staff. Hours are 8:00am - 5:00pm Monday through Friday.

The successful candidate must have a Bachelor's degree in medical technology, chemistry, microbiology, or a related field, plus two years' experience in a clinical laboratory. Preferred to be certified as a Certified Clinical Medical Laboratory Assistant (CMLA), a Medical Laboratory Technician (M.L.T.) or a Medical Technologist (M.T.). The Medical Laboratory Technician is responsible for performing, analyzing, and interpreting clinical laboratory tests. This position will work collaboratively with medical, nursing, fellow lab employees, x-ray and administrative/support staff. This full-time, 12-month appointment offers excellent fringe benefits including a generous vacation/holiday package, an outstanding retirement program, and continuing education support.
