

BOSTON MOUNTAIN

RURAL HEALTH CENTER, INC.

Boston Mountain Rural Health Center is currently seeking a
compassionate and professional

LICENSED CLINICAL SOCIAL WORKER

to provide coverage for our Northern clinics
(Huntsville, Green Forest, Jasper and Deer).

Travel is a requirement for this position.

The Licensed Clinical Social Worker (LCSW) is part of the healthcare team whose primary purpose is to work in conjunction with the health services within the health center in order to provide assessment diagnosis and treatment planning of behavioral health and substance abuse counseling to children, adolescents, adults, and families in order to improve psychosocial functioning.

QUALIFICATIONS: Master Degree (MSW) in social work from an accredited institution required • Minimum of three years of experience in a healthcare setting preferred • Must have experience in the continuity of patient care planning • LCSW required • Crisis intervention skills • Must be knowledgeable of short term brief intervention therapies. • Bilingual in English/Spanish preferred

If you are interested in joining our dedicated and caring healthcare team, please email Pepper Myatt, Human Resources at careers@bmrhc.net or visit the careers section on our Facebook page to apply.

Applications will be accepted until the position is filled.
