

NOW HIRING

CLASS A CDL DRIVER

Job Requirements

- Preferably at least one (1) year of verifiable Tractor Trailer and/or Flatbed driving Experience in the last three (3) years.
- A safe driving record
- Class A CDL/no violations in (at least) the past two (2) years
- Ability to obtain the DOT Medical Examiner's Certificate (Physical and Drug/Alcohol Screen)
- Oversize/overweight experience a plus
- Boom truck and/or articulating crane experience a plus

For the past 55 years, A.C. Miller Concrete Products, Inc. has been dedicated to supplying top quality precast products and accessories to our customers, while providing excellent customer service. Our Blairsville, PA office is currently seeking a Class A CDL Driver to serve as an integral part of our organization by delivering standard and custom precast concrete solutions to our customers

Why A.C. Miller

- Starting wage is at least \$20.18/hour or higher; Pay commensurate with experience
- Overtime pay after 40 hours per work week
- Home every night - very rarely does a job require our drivers to spend an evening away from home
