

**SAI Consulting Engineers**

ACCOUNTING MANAGER

SAI Consulting Engineers, Inc., a local engineering firm in the Strip District, has an immediate opening for an Accounting Manager. This position is responsible for the daily operation of all phases of accounting and financial functions of the company, including corporate payroll and payroll taxes; client invoicing and job cost accounting; general ledger and account analysis; accounts payable and receivable; overhead control; fiscal planning; corporate audits; monthly balance sheet and profit/loss statements; cash management and all related reporting. Must have experience with ADP Workforce Now, Deltek Vision, 401(k), and ESOP plans. Must possess ability to interface with all levels of management, technical staff, and outside contacts. Must be a self-starter with hands-on ability to work independently. B.S. degree in Accounting, Business or Finance is required along with a minimum of 5 years of experience, preferably in an engineering company and with supervisory experience.

A COMPETITIVE SALARY/BENEFITS PACKAGE IS OFFERED.

QUALIFIED APPLICANTS MAY SUBMIT CURRENT RESUME TO:
