

Position Opening: President & CEO

United Way of Central Kentucky seeks a proven leader in complex resource development, nonprofit management, and community engagement. The successful candidate will be an enthusiastic community builder who has leveraged volunteer resources, outstanding management and communication skills, and a demonstrated ability to negotiate, collaborate, and foster inclusiveness among a wide range of people with diverse backgrounds.

Experience Requirements

- At least five years of management experience, preferably in the nonprofit sector (United Way experience is desirable) with substantial experience interacting with volunteers and diverse boards. Alternatively, extensive experience in the leadership and management of organizations of comparable size and mission is acceptable.
- Expertise on issues relevant to the organization, such as workforce development, financial stability, and poverty.
- Proven ability to build and sustain relationships, resolve conflicts, and think strategically.
- Demonstrated commitment to health and human services.
- Experience in fundraising and increasing philanthropic support.
- Bachelor's degree; postgraduate studies desirable.
