

Front Desk - Full Time

McDonald Eye Care Associates, Lakeville

We are looking for a career oriented person to join our eyecare team. This is an ideal position for an outgoing, friendly individual, who is self-motivated, has keen attention to detail, & proficiency w/computers. Ideal for a positive self-starter who is eager to thrive in a busy Optometry practice and deeply passionate about providing high quality service to patients.

If you have had experience in the medical field or are interested in gaining experience in the medical field, we would love to hear from you! Optical experience preferred, but we are willing to train the right candidate!

We are leaders in providing exceptional eye care service to our patients. We offer a competitive salary, and every other weekend is a 3 day weekend.

If you are looking to grow your career, apply today.
