

NOW HIRING for our Therapeutic Loving *foster* Care & Adoption (TLC) team!

Clinical Specialist

Provide clinical support and leadership to the TLC program, including but not limited to comprehensive diagnostic assessment, treatment planning, individual and family therapy for children and families, and training as needed in accordance with all regulatory and contractual requirements, COA, and other quality outcomes and measures.

Regional Director

Oversee the day-to-day operations of TLC services. The Regional Director is responsible for ensuring the goals for the program are achieved and established personnel policies are implemented. The Regional Director provides leadership to the TLC program to ensure that the operation complies with all regulatory and contractual requirements, Council Of Accreditation, and other quality outcomes and measures. The Regional Director ensures the program operates in an effective and efficient manner, and is responsible for development and monitoring of the annual program budget.

Program Supervisor

Oversee everyday functioning of foster care and adoption services. The Program Supervisor is responsible for employee support, foster parent support, achieving positive outcomes, consumer satisfaction, licensing compliance, and foster home retention. The Program Supervisor monitors and administratively supervises departmental staff as well as monitors and supervises foster and adoptive parents assigned to the regional licensed program, and has ongoing collaboration contacts with other public and private agencies.
